## Notice

Dear students,

We are going through a difficult time. As a result of the emergency arising out of the COVID19 pandemic, abiding by the government directives, we have been compelled to close the college. So, the college has made arrangements for online classes during this lockdown period. These classes are being conducted through various online platforms since the last 20 days. Those students who are not aware of these classes or have not been able to access them may contact their respective subject teachers for the same. They may also get in touch with their mentors for any kind of assistance in this regard. Following is the list of subject teachers with their contact numbers.
