A Motivational Speaker, Anchor and Trainer for Public Speaking, The Art of Power Speaking, Extempore Speech and Skill Development courses for the students and other prospective stakeholders

I love to call myself a radical humanist.

Humanism First is my religion.

I get inspiration from the lives and works of Swami Vivekananda, Dr. APJ Abdul Kalam and Edhi Foundation's founder Abdul Sattar Edhi of Karachi, Pakistan who raised and brought up 'Geeta' who I call the conscience of the sub-continent.

I intensely remorse for the lost conscience of the sub-continent which I do very vehemently desire to regain in near future for the well being of the entire sub-continent not excluding any of its entities i.e. India, Bangladesh and Pakistan.
