## **Notice: Enrolment and registration**

Newly admitted students of BA/BSc/BCom Honours and General programme of Semester I in the session 2020-21 have to fill-up Enrolment Forms for completion of admission process and registration with the university. The Enrolment Form link has been attached herewith and has to be filled-up online. Please note filling-up the College Enrolment Form is mandatory for registration with the University. They have to complete the enrolment by 04/10/2020.

Please note:

- The Enrolment Form is a single response form, i.e. one student will be able to submit filled-up Enrolment Form only once. Hence, they should make it sure to fill-up the Enrolment Form properly. However they can edit their responses even after the submission of the form using the “Edit Link” that can be found in the feedback mail sent to them.
- They should select the appropriate subject combination on the Enrolment Form as it will be treated as their final selection of subject combination irrespective of their subjects selected at the time of filling up the online admission form. If any candidate wants to change his/her subject he/she has to just select their choice of subject combination code from the list provided below and mention the subjects appropriately on the Enrolment Form. Please check your eligibility for the selected course combination before filling up the Enrolment Form.
- Due to the present scenario of Covid19, it is not possible for the college to verify the documents and information submitted by the candidates during online admission or registration process. Those will be verified later. So, the admission and registration will be treated as provisional only. Admission and registration of any student is liable to cancellation if the information/documents provided by them are found incorrect/fraudulent.

- After the successful submission of the Enrolment Form, College Roll Numbers will be provided for each student. This College Roll Number is required for the registration with the University.
- Courses/Subjects to be selected in Semester I under CBCS

Programme	Subjects to be selected for the following courses
BA/BCOM/BSC Honours	One Honours Subject/Core Course (CC) One Generic Elective subject (GE1) Environmental Science (Compulsory)
